# Welcome...

---

to Hilltop Wedding Center, an idyllic countryside wedding venue overlooking Sylvan Lake, Alberta. Hilltop has everything to make your wedding the one to remember. What was formerly Top O' the Hill Golf Course for the past 37 years is now a meticulously maintained 20-acre property, perfected with all of the amenities of an outdoor tent wedding venue, all the while maintaining our beloved 9-hole golf course for you and your guests to privately enjoy.

Our exquisite 60' x 75' clear span tent is complete with beautiful white flowing ceiling drape, twinkle lights, chandeliers and enough seating for up to 200 guests. If that wasn't enough, our top of the line sound system, live edge wood bar, 18' x 18' smoked oak dance floor and separate catering entrance are sure to impress.

From the moment you arrive, you can enjoy beautiful flower gardens, lush green fairways, and mature trees. You are invited to relax in our Bridal Suite or walk through the paths down to our pond. Guests can enjoy a round of golf, lawn games, the fire pit or maybe a stroll throughout our scenic 20 acre property.

We are located just outside the vibrant waterfront community of Sylvan Lake, making us a very accessible venue. Our couples will be able to relax and enjoy all the serenity that our country side wedding venue has to offer, while still being close enough to enjoy this little resort town. Activities such as camping, boating, shopping or walking the boardwalk down to the lighthouse, are all possible during a stay in Sylvan. The biggest perk of being this close to town is that there are several taxis, shuttle services and close accommodations for your guests. We are located in the heart of Central Alberta, making travel from Calgary or Edmonton equally convenient for all your travelling guests.
